

ATX Kids Club Camper COVID-19 Policy

ATX Kids Club recognizes there is risk posed to our campers, staff and volunteers due to COVID-19. We also recognize the importance that our programs have to provide educational and fun activities for our campers. The safety of campers, staff, and volunteers is the primary focus of ATX Kids Club. We vow to adhere to our strict policies and procedures for safety and cleanliness and to provide adequate supplies for disinfection. ATX Kids Club reserves the right to postpone or cancel a program or deny participation to any individual should we determine there is a significant health risk to the other campers, volunteers, or staff. Please read and sign the following guidelines prior to the start of your camp week.

If your child(ren) has had a known or suspected COVID-19 exposure within the last 14 days, they need to remain in home quarantine and not attend a program at ATX Kids Club. If your child(ren) has traveled during the 14 days prior to your program, please discuss with Tammy Miller, Executive Director.

If your child(ren) experiences any of the following symptoms prior to the start of their program, please remain at home: temperature of 100.4 or higher, cough, difficulty breathing, body aches, chills, sore throat, nasal congestion, runny nose, unexplained fatigue, unusual headache, diarrhea, nausea, abdominal pain, unexplained rash.

Please check your child(ren)'s temperature prior to leaving your home. We will also record their temperature upon drop off.

Please have your child(ren) wash their hands thoroughly before leaving home.

All campers, staff, and volunteers will wear a mask when unable to socially distance from others. If you forget your child(ren)'s mask on the day of the program, ATX Kids Club will have a limited number of masks available for use.

Should your child(ren) develop symptoms of, or test positive for COVID-19 within 14 days of their program, please notify Tammy Miller, Executive Director of ATX Kids Club or Erin Garcia, Program Director of ATX Kids Club.

Attestation:

To the best of my knowledge, my child has not been exposed to anyone with COVID-19 within the last 14 days. They are not currently experiencing or have not experienced any of the symptoms listed above within the last 14 days. They have not traveled within the last 14 days or have received approval to participate after traveling. They agree to wear a mask and adhere to the social distancing guidelines of **trying** to maintain six feet of distance between themselves and other campers and volunteers. I agree to notify ATX Kids Club if my child(ren) develops any symptoms within 14 days after the program or if they receive a positive test for COVID-19 within 14 days of the program.
